

Consent Form

This form is designed to be **filled in on screen and printed out** or it can be printed first and completed by hand. **Please staple both pages together.** It is to be signed by a parent/carer, but if the entrant is 18 or over he/she can sign it themselves. It **must** be brought to the event and is only valid for the specific event detailed below.

The **2022 Apex Challenge** takes place from **7-9 October 2022**. It is being held at **Bramham Park in West Yorkshire**. The event opens at **6pm** on Friday 7 October and will finish by **3.30pm** on Sunday 9 October.

It may include activities such as mountain biking, abseiling, orienteering through woodland, canoeing and an assault course. Some activities will take place in the dark and all will be supervised by suitably qualified and experienced instructors.

I agree to the competitor listed below taking part in this competition and confirm there is no known medical reason why they should not participate in all the activities. I also understand that the Apex Challenge organisers reserve the right to send any participants home if necessary.

DECLARATION

In the event of illness or injury requiring medical treatment I give permission for the above named competitor to be treated by the Apex Challenge first aid team and for them to be taken to hospital as deemed appropriate. If this happens I will be notified as soon as possible. If I cannot be contacted by telephone or any other means, I hereby give my general consent to any necessary medical treatment and authorise the Scout leader in charge of the competition, or a delegated member of his team, to sign any document required by the hospital authorities, which may or may not include forms giving permission for a general anaesthetic. I understand that if the above named competitor is over 16 he/she may decide whether to accept any medical treatment offered.

Note: The medical profession takes the view that the parent's consent to medical treatment cannot be delegated. This view is explicit in the Children's Act 1989. Thus medical consent forms have no legal status and a doctor/nurse insisting on the consent of a parent to a particular treatment has the right to do so. For this reason the organisers of the Apex Challenge cannot insist on parents/guardians signing the statement above. However, it can be a comfort to medical staff to have general consent in advance from parents or to have a Scout leader on hand able to sign forms required by medical authorities.

Some photos and video of those taking part may be used for displays, event promotion, Scout magazines, newsletters, local newspapers and the event website and social media pages. If you object please write to Apex Challenge, The Barn, 3 Cherry Tree Court, Sherburn in Elmet, Leeds, LS25 6PZ ensuring the letter arrives before the competition.
